

KANUZU

Keep your life moving!

Chemotherapy treatment is necessary for cancer recovery, but the side effects can be draining. Try Kanuzo, the newest drug from Dawson Pharmaceuticals. Kanuzo helps curb the side effects of chemotherapy. Kanuzo can help change your life after a single chemotherapy treatment.

**Live your life to the fullest and make plans after treatment sessions.
Life keeps moving, with Kanuzo.**

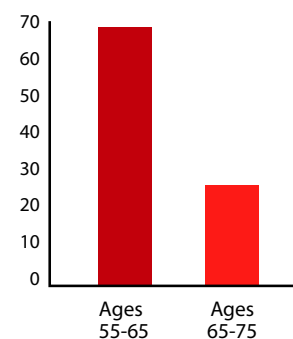

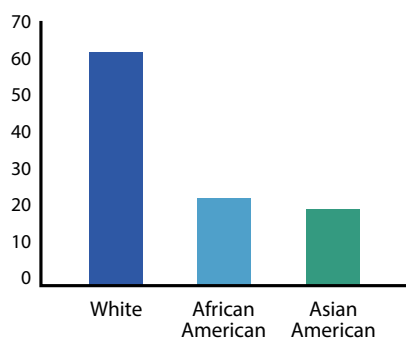

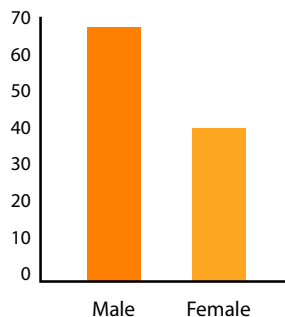

Dawson Pharmaceuticals has conducted a study to understand how Kanuzo affected their symptoms. The results have been overwhelmingly positive:

78% of patients had reduced nausea

84% of patients had reduced fatigue

88% of patients had reduced joint aches
